

## ANSWERS

1. **#breastcancer Twitter connections.** Twitter users are represented as dots and interactions between users are shown as lines. The most connected and influential contributors are shown by the larger dots. <https://www.informationisbeautifulawards.com/showcase/1801-breastcancer-twitter-connections>
2. **A map of the structure of a 'choose your own adventure' book.** In this case, 'Journey Under the Sea'. <https://www.atlasobscura.com/articles/cyoa-choose-your-own-adventure-maps>
3. **A Year of Scrabble.** A visualisation of every game played by a family over a year. Each game is a cluster of stars. High scoring words are represented by large starbursts. <https://www.c82.net/scrabble/>
4. **The paths of government surveillance planes above major cities.** See the animated version here: <https://www.informationisbeautifulawards.com/showcase/1539-spies-in-the-skies>
5. **Who old are you?** An animated visualisation which allows you to compare where you are in relation to events and people in these categories:

Have a go here: <http://www.informationisbeautiful.net/visualizations/who-old-are-you/>. It's both depressing and heartening in equal measure...
